## [TORO BLOWERS]

### Super Blower Vac (51592)

You can't buy a more powerful handheld blower, gas or electric! The Super Blower Vac features a two-speed motor, and even easier conversion between blowing and vacuuming.

#### Product Details

370 kph (230 mph) maximum air speed  
2-Speed Motor  
3-in-1 machine: blower, vacuum, leaf shredder  
Reduces 10 bags of leaves into 1  
Quick-release latch

#### 2-Speed Motor

#### **2-Speed Motor**

High speed has the power necessary to tackle the toughest lawn chores; but sometimes too much power will only create a mess. Use low speed on hard surfaces and in tight areas.

#### Quick Conversion

#### **Quick Conversion**

Converting your blower into a vacuum has never been easier. After removing the blower tube, simply hook the vacuum tube into the front of the housing and pull up until it snaps securely into place.

#### Leaf Reduction

#### **Leaf Reduction**

The vacuum shreds leaves and reduces up to 10 bags of leaves to 1.

#### Better Vac Performance

#### **Better Vac Performance**

A unique fan design reduces clogging and improves the vacuuming flow rate, which results in better vacuum performance.

#### 2-Year Full Warranty

All Toro electric Blowers and Blower/Vacs are covered by a 2-Year Full Warranty.\*
